

Rhigos Community Council

Minutes of the extra meeting of Rhigos Community Council held at Rhigos Community Centre and remotely on Monday 28th February 2022 at 6.45 p.m.

Present: Cllrs. P Oliver, H Wagner, M Evans, D Burford, O Morgan, C Hopes, M Smith,
Representatives from Third Revolution Products

2022/35 Declaration of Interest

Cllr. M. Evans and O Morgan declared an interest as the applicant is a family member

2022/36 Pre-Consultation Solar Farm Bryngolwg Rhigos

Representatives from Third Revolution Products attended this special meeting to discuss the proposal for a Solar Farm at Bryngolwg, Rhigos. The area will cover 30 acres and could supply 3500 houses. There is nothing in this application for battery storage, but if the application is successful they will then apply for battery storage on a separate planning application.

Handouts were given to councillors and all questions were answered. All councillors were in agreement.

The planning application should be presented to RCTCBC within 1 month with a decision in hopefully 3 months.

A leaflet will be distributed to all homes in Rhigos and posters will be emailed to the clerk for display in the community centre and around the village. Leaflets have not been received by the councillors although the company had been told they had been distributed, this will be investigated.

There is no need for a public meeting for a solar farm of this size, it is available for the public to view online and give their feedback.

This company can usually fund up to £10,000.00 should the community council want to install solar panels on the community centre. Three quotes will be needed which will be reviewed by the company.

2022/37 Nomination Papers

Nomination papers for the forthcoming elections were completed by all councillors

Next Meeting

The next meeting will be held at Rhigos Community Centre and remotely on Monday 11th April 2022 at 6.45 p.m.
